Message from Commodore Stephanie Gaff

Wow, September already. This year has just flown by. It certainly has been a year to remember. Our ever changing atmosphere, the number of new members, and the enthusiasm of some of our older members will always stick with me.

We just have one short month before a new bridge is ready to come in a take over. I only hoped I did what the membership expected of me. I look forward to seeing the new officers led us in to the future.

Hello all,
Summer is flying by and I hope everyone is making the most of it. It's been great seeing you all around the club and I feel the club is the better for it. As summer winds down so do my responsibilities as VC which include house and grounds. If anyone has any concerns or projects they would like to see completed then let's

get together and make it happen. I have a few projects I'd like to wrap up so if anyone needs work hours I'm your man. Lol
 I'm still wrapping up the planning and organizing for the commodore's ball and will get the details out to membership ASAP. Here is what I have so far:
 Date- October 9th 2021
 Time-6:00pm-11:00pm
 Location- Crescent Yacht club
 I'm doing my best to make it a fun and enjoyable event for all and I would love to see you all attend!

Message from Rear Com Scarlett Corso

Greetings Red Eye club members! It is incredible to think that September is already upon us and school is back in session. To follow up to last month's general membership meeting, up to \$5,000.00 was approved by the membership to be spent on sea grass removal. Mike Delmar and I conducted significant research into locating sea grass removal companies, and the only company local to the area we were able to locate is SeaGrass Solutions. Unfortunately, SeaGrass Solutions' Harvester has been out of commission for the last few weeks. However, on August 26, 2021, they contacted us to advise that the Harvester is up and running again. We are working diligently to schedule SeaGrass Solutions to come out and conduct removal, and thank you for your patience in the meantime. Have a safe and healthy Labor Day weekend all!

Fleet Captain Report
 Congratulations to the 2021 - 2022 nominated slate of Officers. I wish you a successful year.
 Docking requests are starting to come in for the King of the Chesapeake contest later this month.

Anyone interested in reserving a room at the CCC ball in January should contact Erni Heiser or myself. This year the hotel will have 28 less rooms to offer due to renovations. Anyone interested in keeping the same room from previous years must reserve before room assignment in early November. At that

Reminder...
 The Bar is always open to members during private parties.

Friday night dinners are currently suspended until the Spring, except on meeting night.

How do I reserve the clubhouse for a private gathering?

The facilities committee is planning the next phase of the building remodel. Hopefully the remodel will take place this winter. At September's general membership meeting, we will be deciding the general plan and getting the membership's approval to move forward. With the member's OK, we will put together a budget for approval at the October's general membership meeting. If you have any questions or concerns, let us know.

Board of Governors ("The Club")

The Board of Governors met on Friday, January 26th and discussed an ongoing issue of the clubhouse being left unsecured. The Board voted and effective immediately, when the building is found unlocked the security footage will be reviewed in order to determine the offender. The disciplinary tier is as follows: 1st offense is a written warning, 2nd offense is a \$25 fine, and 3rd offense is disciplinary action by the Board.

On Thursday, May 27 the Board met and discussed work hours as it relates to Private Events and normal business hours. Two motions were made and passed and are as follows.

1. As it relates to Private Parties: It is the responsibility of the host to get a member to work the party for hours. If they cannot get someone the host must contact the Entertainment or Kitchen chair. If the scheduled member bartender cancels, it is the responsibility of the host to find a replacement. *(A host cannot self-bartend their own event for hours)*
2. As it relates to normal business hours: The Bar Chair will comprise a schedule of members who will work for hours Fridays & Saturdays 7pm-11pm as needed and determined by the Bar Chair. It will be the determination of the Bar Chair to determine if and when a bartender is needed.

Next board meeting is:

Thursday, 23th Sept 2021 at 7:00 pm.

We will meet at Red Eye Yacht Club.

The board meets on the 4th Thursdays at 7:00 pm. All Members are welcome to attend these meetings.

Just to let everyone know, I won't be able to do an XLS spread sheet any more. Constant contacts doesn't support the functionality. WORD or not. Please let me know if you have any issues.

If there is anything you want added in future editions, please email me to let me know. You need to have the articles to me by the board meeting date which is the forth Thursday of the month.

As you can see, I took a lot of things out of the newsletter that many people have requested in the past. If you ever need to see the information or want me to add it back in, please let me know.

Also, if your profile information changes, please let me know.
