Message from Commodore - Wayne Orem

Hello Red Eye family

Time is flying by and soon opening weekend will be upon us. Our remodeling/repair project is moving along and I want to thank everyone who has stepped up! I ask all club members to be mindful of the services our fellow club members are providing and keep the lower lot open during Saturday and Sunday mornings to allow better access for their work trucks and deliveries. I'm also appreciative of the patience and understanding club members are showing during this time. We are doing our best to keep the clubhouse available and as clean as possible. All and any help in this effort is greatly appreciated.

It looks like we may finally have Covid in the rear view mirror. All the mask restrictions have been lifted. Hooray!

A special thank you to our Fleet Captain Bob Burke for organizing our land cruise, and all who attended. I had a great time and enjoyed everyone's company. Well almost everyone's. I had to sit next to our Rear, PC Terry Edgell, the entire trip. LOL

Thank you PC Ken Zeisloft, and Rear Commodore PC Terry Edgell for another successful slip assignment day. Everything ran like a well oiled machine. John Gosnel and the kitchen crew did a fantastic job with the membership appreciation meal afterwards. Great job all!

I'm looking forward to this summer, and making many more

Message from Vice Com - Scarlett Corso

Thank you to everyone for your patience with the construction on the clubhouse and helping not only with said construction, but also with keeping the clubhouse clean. The large 30 yard roll off dumpster will be removed in early March; upon your return of parking into the lower lot, please be vigilant for loose screws and nails on the ground so that you do not injure your feet or end up with a flat tire.

At the Board meeting most recently, there was a proposal to obtain an estimate to remove the dead trees from the upper lot, including the stumps, as they are hazardous and as removing them will increase parking availability. I have obtained said estimate and am working with the Board, Bridge, and Holding Company to see through this proposal.

I want to extend a thank you to our Fleet Captain, Bob, who organized a truly awesome land cruise this party Saturday. It was well organized and all had a wonderful time! Speaking of festivities, we have the St. Patrick's Day Party coming up on 3/19/22, which is sold out, and I look forward to seeing you all there!

Message from Rear Com - Terry Edgell

REYC EVENTS

2022 Red Eye Club Events

- March 19th St Patrick's day Party

Message from Princess Autumn Almony

Hi to all. I hope everyone is doing great. I'm doing good. All the princesses are having a penny war to benefit the Queen of the Chesapeake program, I will be bringing a bucket down to the club for the penny war, pennies are 1 point, 1\$ is 100 points, 5\$ is 500 points and 10\$ is 1,000 points, no silver I will lose points. So if you have any pennies you don't want it will help me and the Queen of the Chesapeake, Also I got to go with the other princesses on a bonding trip to McFadden Glass. It was a lot of fun. I got to make a glass starfish and see how they make beautiful glass ornaments. That would be a great place to go with your family and friends. Can't wait to see you all in upcoming events.

Thank you
Princess Autumn

Message from Jr Princess Summer Almony

Hello to all. Hope everyone is doing well. I am doing great. School is great to .I will be helping my sister princess Autumn with her Charity. Her charity event will be coming up in July. Paw-Paw picnic (it is going to be fun) we are working on some ideas for her charity to raise money. I'm hoping that covid is behind us so I can try out for plays at school and I can work on my acting. Can't wait to see you all.

Thank you all
Your future actress Jr princess Summer

The facilities committee is planning the next phase of the building remodel. Hopefully the remodel will take place this winter. At September's general membership meeting, we will be deciding the general plan and getting the membership's approval to move forward. With the member's OK, we will put together a budget for approval at the October's general membership meeting. If you have any questions or concerns, let us know.

Board of Governors ("The Club")

The Board of Governors met on Friday, January 26th and discussed an ongoing issue of the clubhouse being left unsecured. The Board voted and effective immediately, when the building is found unlocked the security footage will be reviewed in order to determine the offender. The disciplinary tier is as follows: 1st offense is a written warning, 2nd offense is a \$25 fine, and 3rd offense is disciplinary action by the Board.

On Thursday, May 27 the Board met and discussed work hours as it relates to Private Events and normal business hours. Two motions were made and passed and are as follows.

1. As it relates to Private Parties: It is the responsibility of the host to get a member to work the party for hours. If they cannot get someone the host must contact the Entertainment or Kitchen chair. If the scheduled member bartender cancels, it is the responsibility of the host to find a replacement. *(A host cannot self-bartend their own event for hours)*
2. As it relates to normal business hours: The Bar Chair will comprise a schedule of members who will work for hours Fridays & Saturdays 7pm-11pm as needed and determined by the Bar Chair. It will be the determination of the Bar Chair to determine if and when a bartender is needed.

Next board meeting is:

Thursday March 24th.

We will meet at Red Eye Yacht Club.

The board meets on the 4th Thursdays during the winter at 7:00

pm. All Members are welcome to attend these meetings.

If you want to address anything at the meeting, please notify the board 7 days ahead of time so it can be put on the agenda.
