Thank you all for coming out and making the Bull & Oyster Roast a HUGE success for Red Eye! Kristin and I had a great time hanging out with everyone. Thanks go to Stephanie and Mike Gaff for heading the event planning.

We have had some clubs come in to visit on their land cruises come to Red Eye to hang out for some food and drinks. Those are always a good time. Thank you to the members who have come to help make those days a success.

away and we look forward to enjoying that evening with everyone.

Don't forget to sign-up for jobs opening day weekend, because that will be here in the blink of an eye!

Enjoy this spring weather and beginning of boating season! Happy Easter! Lenny

Message from Vice Commodore Mike Gaff

The Basin is starting to fill up and with that we are starting to see more and more people in the clubhouse. Just a brief reminder that last one out is responsible for making sure everything is shut down, all windows are locked, all lights are off, and most importantly all doors are locked.

Our housekeeping service will begin April 3rd, but that doesn't mean we cannot still clean up after ourselves. Make sure all trash is taken out, major spills are cleaned up, and bathrooms are fairly decent. Remember, Ms. Linda only comes once a week.

There are many things at the club that needs attention. Please contact me at (443) 682-1785 or mikeagaff@yahoo.com for duties that can be completed. If you can work during the week and not the weekends, call me for an assignment. I will be posting a list of job duties on the bulletin board in the back hallway. You must contact me prior to taking on an assignment and at the completion.

Any questions or concerns, please feel free to call me at any time.

NIGHT DINNER...

Ice-eaters are out and water is on. That is a great sign that boating season is here. A big shout out to PC Terry Edgell heading up the Ice-eater work party in my absence.

Our Bull & Oyster Roast was March 25, and was a huge success. I want to thank all the members that came out and partyied with us. A great big thank you to PC Bill Hill & Bill Freburger on the Plant/Booze wheel, Bob Guilday, Gary Beard, Frank D'Ercole, & Dino Cimino on the Money Wheel, Kristin Long & Mark Wilson on the 50/50 lay down boards, Mike Gaff on the Sports Raffle, and last but certainly not least Shawn Casserly who catered the entire event. Without everyone's help this event would not have been as successful as it was. If I missed someone, I'm truly sorry, but remember everyone's contributions was greatly appreciated.

With better weather heading out way, we will begin redecking the rest of "B" pier and addressing issues on all the other piers. Please let me know if you see something that needs immediate attention.

Message from Fleet Captain Kim Ryan

If you have not signed up for the Queen's Pageant at Maryland June 23-25, please let me know as soon as possible. Also, please show your REYC spirit and come welcome the Easter Bunny on April 15 with Sue Haven YC. If you plan to attend any openings this year, please contact me to organize the arrangements. I hope for all REYC members to have a fun and eventful summer together this year.

Message from Joan Anderson Chaplain

Sending a little poem I read today hope you all enjoy it as I did:

Like a ship tossed at sea on a dark, stormy night,
I sailed through life with no shore in sight,
Then remembering a phrase from the Holy Book -
"O ye of little faith" - I turned to look
but saw no one there, yet knew somehow
That Jesus was near and I needed Him now,

GEAR HERE

I am now taking orders for REYC shirts, hats, jackets, anything you would like to order to

I bowed my head and began to pray
As I learned to do in an earlier day.
I asked God's grace from sin to be free
And I felt a wave had rushed over me.
My faith was restored and I sighed with relief;
I asked my Savior, "Forgive my unbelief,"
Now He steers my course - His will I will choose,
My place in His fold I don't want to lose.
Now I'm sailing through life on a much calmer sea
Where God's safe harbor of Heaven is waiting for me.

HAPPY EASTER 'THE LORD IS RISEN'

Club Notices

TO ALL RED EYE MEMBERS

IMPORTANT

Everyone appreciates when a member(s) steps up and offers to cook to help get their hours as well as feed the hungry members. However, when stepping up for this responsibility, the following procedures have to be followed:

- **Advertise it!** Corresponding Secretary Cheryl is your contact and does an excellent job letting members and other clubs know what we are doing at our club. Everyone is busy so the more we can encourage them to take part by giving them advanced notice, the more response you will have.

necessary supplies.

- Prepare and set up for the meal
- Clean up dining/kitchen and **take trash out!**

Now you don't have to do this all yourself. You can ask other members to help you. We know there are many members that still need hours so this is another way to help accomplish that. What we can't have is food just put out and left assuming someone else will clean it up.

Members can receive up to 10 hrs for helping to host a Friday night dinner.

TO ALL RED EYE MEMBERS, THEIR FRIENDS AND GUEST

ALCOHOLIC BEVERAGES

In accordance with Baltimore County Liquor Board Rules and Regulations as it pertains to our Club Liquor License:

1) No Club purchased alcohol is allowed beyond the border of our bulkheads and property lines.

2) Non-club purchased alcohol is not allowed on Club grounds. It may be consumed on the piers and members' vessels.

Violations put the Club's Liquor License in danger and those who violate this rule will be brought to the Board for appropriate disciplinary action.

TO ALL RED EYE MEMBERS, THEIR FRIENDS AND GUEST

DOG PROTOCOL

No dogs or any animal allowed in the clubhouse during regular business hours, which typically is **Friday, Saturday, and Sunday** (except for seeing eye dogs).

Dogs are allowed on the deck **ONLY** if they are supervised by an adult, on a leash and under control.

All dogs must be on a leash at all times, grounds and deck.

YOU MUST PICK UP AFTER THEM! Do not leave their poop for someone else to step in. Bags will be available at the piers. Please instruct your friends/guest to do the same

By following these rules, all members will enjoy the club as well as our dogs!

RED EYE YACHT CLUB WILL BEGIN TO ISSUE PARKING VIOLATIONS ON OCTOBER 1, 2015. EACH VIOLATION WILL BE \$25 EACH PAYABLE WITHIN 30 DAYS. OUTSTANDING VIOLATIONS (NOT PAID) WILL CAUSE A MEMBER TO BECOME "A MEMBER NOT IN GOOD STANDING". A MEMBER MAY RECIEVE MULTIPLE VIOLATIONS BASED ON EACH OCCURRENCE.

It was discussed and voted on that there shall be no pick-up trucks or commercial vehicles parked on the lower lot Friday, Saturday, Sunday or Holidays. In addition, any member that shall be leaving dock, shall also park their vehicle on the upper lot. We ask that you respect other members and not block the loading/unloading zones as well as the handicap parking spaces. When parking on the upper field, we ask you pull to the edge of the grass where it meets asphalt and park as close as possible to the vehicle next to you in order to maximize the number of parking spaces for all to enjoy.

In addition, there is only one (1) vehicle allowed per parking space. Loading/Unloading zones will be clearly marked and will have a fifteen (15) minute time limit. Firelanes will be clearly marked and parking is absolutely prohibited. Designated parking spaces (i.e. handicap, Commodore, etc) is for those individuals only. Any member found in violation shall be issued a parking violation.

TO ALL RED EYE MEMBERS, THEIR FRIENDS AND GUEST

DOCK BOXES

It was discussed and voted on at July's Board of Governors Meeting that from here on out all dock boxes, and any other construction pertaining to piers, must be approved by the Rear Commodore prior to installation. The Rear Commodore has at his/her discretion the ability to determine if installation is functional, proper and aesthetically pleasing to the club. Any installations that occur without prior authorization are subject to removal at the member's expense.

Slip Rules and Regulations

All members are required to have electric turned on and in their name by May 1st.

Security

For the safety and security of Red Eye Yacht Club, it's

members, guests; security cameras have been installed in and around the clubhouse. Please abide by the rules and regulations of REYC and advise any guests to do the same. Anyone caught doing something in direct contrast for the good of the Club will be brought to the board for proposed disciplinary action.

License Plates

The Red Eye Yacht Club is looking to obtain organizational license plates for its members. To accomplish this, the club will need at least 25 sets of tags requested before MVA will allow the tags to be made and issued. This does not mean 25 members, as a member wishing to register two or more vehicles with these organizational tags would add several times toward the total number needed. Several members have already expressed an interest in these tags.

The cost for the plates is a very reasonable \$25 per set of plates (one front, one rear). This is a ONE TIME FEE over and above your usual renewal costs-the \$25 simply covers the cost of making up the plates. Also, when you obtain these tags, your current registration will be pro-rated, so there is no need to wait until your current tags are up for renewal. Once you obtain the metal plates, you will need to return your current plates to MVA asap. The image of the plate shown is an approximation; MVA will advise the club how the actual tag will appear, but this is a fair representation.

Please note that this offer is for Maryland registered vehicles only. Full and social members are both eligible!

Contact Mark Vahlkamp at Lidarman@verizon.net to submit your name as interested acquiring the REYC tags. You will, be notified once the minimum number of requests is reached and the tags are requested by the club to MVA.

Good News Corner

For the Good of the Club

Friendly Reminders...

1. All leftovers for club member usage will be put into the WHITE refrigerator. All items will be labeled with what it is and when it was put into refrigerator. Please help yourself to any of those items. Please STAY OUT of the Stainless Refrigerator or Freezer as much as possible.

2. If members put anything in the WHITE refrigerator, please put your name on it so that members are aware it is NOT for their usage but belongs to a member.

3. The WHITE refrigerator will be cleaned out on a regular basis and, if you do not want your items to be tossed, your name MUST be on the items.

4. We now have bar food AVAILABLE FOR SALE. Items are NOT free. Please be sure to ring the items up correctly in the register. There is a classification for "ICE" and "ICE CREAM" under snacks. Make sure you pick the correct description. Neither of these items should be rung up as a "SNACK" no matter what the amount of the snack. Also, if you would like to see a specific food item for sale at the club, please let Erni Heiser know and she will see what she can do.

5. There is now a small deep fryer dedicated to "SEAFOOD ONLY". It is clearly marked so please be courteous to your fellow members and do not fry any Shrimp in the other fryer. Some people are allergic to seafood and we are doing all we can to avoid problems.

6. Last, but not least, please leave the kitchen the way you found it when you use it. Please wipe up the counters, wash AND DRY all dishes and put them back where you found them. There are plates for members to use on the storage shelf next to the White refrigerator. Take what you need and put unused plates back into the plastic bag you found them in.

By doing the above, we should be good to go when a Health Inspector shows up with little or no notice. If you have any concerns or questions on any of the above or need more information, please see Erni Heiser
