Message from Commodore Mike Gaff

I don't know when Spring will actually arrive, but we had a fantastic Spring Fling! Thank you to John & Robyn Gosnell and crew for putting together another great Fling.

I want to give a big THANK YOU to VC Kim Ryan for all the hard work she has done so far this year taking care of all the issues that has arisen.

Reminder Opening Season is upon us. Marley BC and Wellwood YC always leads us off. All Openings after MBC and WYC will be in all white uniform. I encourage as many officers and Past Commodores to dress so we can show our unity, our support of our Sister clubs, and win the Most Officers in Line Award.

I also encourage our members to visit our Sister clubs for their Opening Weekend festivities. It generally is a party weekend with special dinners, bands, and special events. You get to socialize with fellow Yachties and have the potential

for making lasting friendships. Remember, during Opening Weekend dockage is complimentary at the hosting club. This gives you the chance to check out our Sister club's facilities. We'd love to see as many members cruising to these clubs for a great party weekend.

I look forward to the beginning of boating season and hope to see everyone at the club and on the Bay.

Message from Vice Commodore Kim Ryan

The Opening Day events have begun with Marley Boat Club having a beautiful weekend for their event. Many more are scheduled. There is a list in the club hall. I encourage members to come join the fun at all the other yacht clubs.

I have a few thank you's to send out. Thank you Bob Guilday for a great bull roast in March. Thanks to Robyn and John Gosnell for another successful Spring Fling. And, many thanks to my regular work party crew that has shown up so many times and accomplished so much. Finally, a special thank you to John and Dana Snyder for the beautiful garden.

Now that the season has begun, and the weather has finally broke, I think, remember that trucks should be parked on the upper lot only. Your cooperation is appreciated.
