Red Eye Yacht Club Newsletter

Message from Commodore - Wayne Orem

Hello all,
OOPS they did it again. Baltimore County as enacted the emergency authorization plan regarding the mandatory use of face coverings while inside to help stop or slow the spread of the new Covid-19 variant. This means all of us. I am currently recovering from Covid. I took ill on December 23rd and thankfully due to being vaccinated I have not required hospitalization. I became very relaxed on my mask usage in public and private and as a result I was forced to sit out Christmas and will be in quarantine for New Years. I thought we had all of this behind us and it may turn out to be something we are living with for years to come. I have no choice but to enforce the mask wearing mandate. My initial thought was to only enforce it at meetings as we can all decide on our one to stay away if we are not comfortable, however, that is not possible as we risk fine and the loss of our liquor license

For those of you who are not aware, the CCC's ball in ocean city has been canceled. Jerry will get us details as they develop regarding refunds.

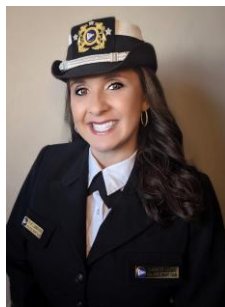

This is not the opening newsletter I expected to have for the start of 2022 and I realize many of you will not be happy. I want to thank you all in advance for your cooperation!

I'm confident that we will have a great summer of 2022 if we are all just a little more careful over the next few months.

Best Regards

Happy New Year Red Eyes! Amid the peak of the Omicron variant of COVID-19, Baltimore County Executive Johnny O. declared a local COVID-19 state of emergency on Tuesday, December 28, 2021. Under this new state of emergency, everyone 5 and older must wear face coverings in indoor public spaces in Baltimore County effective 9 a.m. Wednesday until Jan. 31, 2022. This means that if you are NOT seated at the bar or a table in the Club until then, you must be wearing a face mask.

Additionally, as I mentioned at the last meeting, cleaning services for the clubhouse have been suspended for the winter season. This means everyone needs to clean up after themselves every time they use the Club. Also, if you are looking for hours, we are looking for members to volunteer to clean the bathrooms over the winter season on a biweekly basis.

We are going to also be suspending the weekly pick-up of the dumpster for the winter season, which I had not yet discontinued as it seemed to be filled every week. I am looking into changing services.

The continuation of the remodel of the clubhouse will be starting up after the New Year and we will be

temporarily making the women's restroom downstairs Unisex while the men's restroom is out of service. The women's restroom on the 2nd floor will remain women only.

Lastly, as it pertains to the CCC Ball, the CCC decided to cancel the January 2022 ball in Ocean City for safety reasons due to the spread of the Omicron variant of COVID-19. Thank you to everyone who participated in our planning meetings as it pertained to our theme. While this is disappointing on many levels- and obviously we all wanted to support and celebrate Jerry Selig's incoming year for CCC- the safety and health of our boating community is the most important thing right now.

Happy New Year all!

Hello to all
I hope everyone had a wonderful holidays with family and friends. I got to go on a field trip with R.O.T.C ,we went to Baltimore national cemetery to put wreaths on the fallen hero's tombstones. It was very peaceful there and as I was laying the wreaths on their tombstones I was thinking how they died

Get well wishes to Wayne and both of our princesses who all had Covid.

If you know someone who needs a cheer from the club, please let me know. Nothing is better when you are feeling down to get some attention.

Facilities Management

The facilities committee is planning the next phase of the building remodel. Hopefully the remodel will take place this winter. At September's general membership meeting, we will be deciding the general plan and getting the membership's approval to move forward. With the member's OK, we will put together a budget for approval at the October's general membership meeting. If you have any questions or concerns, let us know.

Board of Governors ("The Club")

The Board of Governors met on Friday, January 26th and discussed an ongoing issue of the clubhouse being left unsecured. The Board voted and effective immediately, when the building is found unlocked the security footage will be reviewed in order to determine the offender. The disciplinary tier is as follows: 1st offense is a written warning, 2nd offense is a \$25 fine, and 3rd offense is disciplinary action by the Board.

On Thursday, May 27 the Board met and discussed work hours as it relates to Private Events and normal business hours. Two motions were made and passed and are as follows.

1. As it relates to Private Parties: It is the responsibility of the host to get a member to work the party for hours. If they cannot get someone the host must contact the Entertainment or Kitchen chair. If the scheduled member bartender cancels, it is

the responsibility of the host to find a replacement. *(A host cannot self-bartend their own event for hours)*

2. As it relates to normal business hours: The Bar Chair will comprise a schedule of members who will work for hours Fridays & Saturdays 7pm-11pm as needed and determined by the Bar Chair. It will be the determination of the Bar Chair to determine if and when a bartender is needed.

Next board meeting is:

Thursday January 27th.

We will meet at Red Eye Yacht Club.

The board meets on the 4th Thursdays during the winter at 7:00 pm. All Members are welcome to attend these meetings.
