Message from Commodore - PC Bob Carr

I would like to thank everyone for coming to the ball. I am looking forward to working with everybody in the club to make this upcoming year a great year. I would especially like to thank all the people that have been volunteering and working so hard around the club. Without you we would not have the club we have.

Message from Vice Com - Terry Edgell

I want to thank the members and friends that came to Commodores ball this year at Bowleys Gardens the food was very good, witch was a concern. I want to thank the members that stepped up to make it a good event.

Winterization of the building is November 12th. Such things as take down the fan blades, and winterizing the shed.

The on going bathroom project is at a standstill at this time ,due to members that have their hours. I am proposing that we start the hours earlier than December 15th to finish the project. The next stage is to run the duct work for the heating air conditioning. Once that is finished

then we can continue to do the finishing touches on the project.

Also on November 12th is our last function of the year on the books. If you need your one more function this might be your last chance. It is a surf and turf karaoke night, that went well last year. If you like your attend please contact me. Let's make this next club year a great one.

Given Bob Carr the new commodore the support he needs.

Message from Rear Com - Robert Burke

We recently finished raising up the water pipe for the fire connection on B pier, with the help of Dave, Fran and Terry. Thank you Terry for getting this project started.

We are having a work party for winterization of the piers on November 12th starting at 9 a.m.. Contact a Bridge member if you would like to sign up. We hope to see you there.

If you see something on the piers that needs attention, please be sure to contact me and I will do my best to have it addressed.

Message Fleet Capt - Vacant

The Board of Governors met on Friday, January 26th and discussed an ongoing issue of the clubhouse being left unsecured. The Board voted and effective immediately, when the building is found unlocked the security footage will be reviewed in order to determine the offender. The disciplinary tier is as follows: 1st offense is a written warning, 2nd offense is a \$25 fine, and 3rd offense is disciplinary action by the Board.

On Thursday, May 27 the Board met and discussed work hours as it relates to Private Events and normal business hours. Two motions were made and passed and are as follows.
