Red Eye Yacht Club Newsletter

Message from Commodore - Wayne Orem

Hello Red Eye family.

I want to thank everyone who has been stepping up around the club to make it a fun place to be again. We have been getting lots of visiting clubs and our entertainment officer, John and our Fleet captain, Bob have been doing a great job along with their many volunteers.

Scarlett, thank you for stepping up and getting our opening well under way to being completely organized, and thank you for not making it too girly. Lol

I also want everyone to know that our Rear Commodore PC Terry Edgell single-handedly winterized every single pier prior to the latest freeze. Thanks Terry

Our remodeling crew continues to impress. You all are going above and beyond and it is much appreciated!

Karen, thank you for all that you continue to do.

This year I have the challenging decision of selecting our member of the year and let me tell you this, It's not going to be an easy decision, so many club members have been stepping up!

I'm looking forward to this summer, and making many more memories with you all!

Best Regards
Wayne R. Orem

Message from Vice Com - Scarlett Corso

Spring is a time of change and at the Red Eye, we have certainly been undergoing some changes! Firstly, our Opening weekend is June 3,-5, 2022, only 2 months away! Our theme is "Under the Sea." We have bands for both Friday and Saturday night and are looking for volunteers, especially for the Ad booklet and to donate items to our silent auction baskets. If you have not already signed up, please contact me, and remember it is mandatory that each regular member works at least 4 hours of Opening weekend.

Additionally, please be advised that we changed our dumpster company to Old Republic this past month due to issues with timely pick-ups from Waste Connections, and Old Republic will be doing weekly pickups going forward, for less than what Waste Connections had been charging us. Plus it is equipped with a gravity lock on the top to help curb the neighbors from impermissibly using our dumpster. Moreover, we had our annual Health Department inspection, and I am pleased to report it went well. Please remember to stay on top of cleaning up after yourself in the kitchen and clubhouse after you use

them. Speaking of Openings, did you know our cleaning person, Lauren Orem (our Commodore's daughter and "second") is available for hire for \$135 for private events? She is! Also, she will be resuming weekly cleanings in the middle of April, just in time for Opening season.

Lastly, speaking of Openings, We will be hosting Marley Yacht Club at our club for their Opening Ceremony on Saturday, April 23, 2022, at 12pm, so I hope to see many of our club members come out and support Marley and the first Opening of the season! Related to same, I, unfortunately, had to cancel the Spring Fling, which had been scheduled for May 21, 2022; the Opening schedule of the Chesapeake Bay yacht clubs evolves during the winter, and we only recently learned that our Spring Fling was scheduled at the exact same date/time as Middle River Yacht Club's Opening Ceremony. Now I know that not all of our members will attend Middle River Yacht Club's Opening Ceremony, but each yacht club depends on one another's support during their opening weekend of events and not only would I personally not be able to attend the Spring Fling because I would be at MRYC's Opening, but it would also be disrespectful to such a close, neighboring club of ours to intentionally hold an event during their Opening weekend, designed to pull people away from supporting their Club. It is very important that all of our members support not just the Red Eye, but all of the clubs in the Bay area, and last year, it happened to be that there was a Saturday in May where there were no Openings planned, which is why I planned the Spring Fling for that day. However, this year, there is an Opening ceremony every Saturday and every weekend throughout May and June. BUT, the good news is that we plan to still hold this event, but simply at a later date, likely in September when it is nice enough to still be outside, but not so hot that it is unpleasant to be on land. Thank you to everyone for your support of our club, especially our fearless volunteers working on the remodel, and let's look forward to a great 2022 boating season!

Message from Rear Com - Terry Edgell

Hope all is well with everyone. We had a work party to open the piers. Water is on. Running another work party for April 2nd Saturday. To install safety ladders and rings. Also clean and install tables and blades on Deck. Hope to have more help this time. Stay safe spring is here.

I want to thank the bar chair, kitchen chair, and all those who helped make our two recent incoming land cruises a great success. I also want to thank the bridge members for joining us in welcoming the incoming clubs. Eastern Yacht Club and Marley yacht club enjoyed the comradery from our members.

Message from Chaplain Steve Culhane

Heavenly Father,
Let us take time this upcoming Holy Week to sit and reflect on the past year. As humans when we reflect, we always want to look at the good and positive things in life. Think of what Jesus went through on his last days on earth. His Faith in God the Father kept him strong. I hope and pray that all will have a wonderful Easter and a renewed spring.

Chaplain
Steve Culhane

But to those who hope in the Lord will renew their strength. They will soar on wings like eagles; they will run and not grow weary; they will walk and not be faint.
(Isaiah 40:31)

Facilities Management

The facilities committee is planning the next phase of the building remodel. Hopefully the remodel will take place this winter. At September's general membership meeting, we will be deciding the general plan and getting the membership's approval to move forward. With the member's OK, we will put together a budget for approval at

the October's general membership meeting. If you have any questions or concerns, let us know.

Board of Governors ("The Club")

The Board of Governors met on Friday, January 26th and discussed an ongoing issue of the clubhouse being left unsecured. The Board voted and effective immediately, when the building is found unlocked the security footage will be reviewed in order to determine the offender. The disciplinary tier is as follows: 1st offense is a written warning, 2nd offense is a \$25 fine, and 3rd offense is disciplinary action by the Board.

On Thursday, May 27 the Board met and discussed work hours as it relates to Private Events and normal business

hours. Two motions were made and passed and are as follows.

1. As it relates to Private Parties: It is the responsibility of the host to get a member to work the party for hours. If they cannot get someone the host must contact the Entertainment or Kitchen chair. If the scheduled member bartender cancels, it is the responsibility of the host to find a replacement. (*A host cannot self-bartend their own event for hours*)
2. As it relates to normal business hours: The Bar Chair will comprise a schedule of members who will work for hours Fridays & Saturdays 7pm-11pm as needed and determined by the Bar Chair. It will be the determination of the Bar Chair to determine if and when a bartender is needed.

Next board meeting is:

Friday April 23rd.

We will meet at Red Eye Yacht Club.

The board meets on the 4th Thursdays during the winter at 7:00 pm. All Members are welcome to attend these meetings.

If you want to address anything at the meeting, please notify the board 7 days ahead of time so it can be put on the agenda.
