Message from Commodore - PC Terry Edgell

Well, this is the time of year for Change of Watch.

I want to thank all the members that helped with Change of Watch and the Ball.

I would like to congratulate the new Officers for the year. I feel I have a great crew of Officers behind me.

There are some minor projects to be done this year and I feel the Officers we have couldn't be better to accomplish them.

I would like to see the club become a closer group of members and friends who have fun together and support each other.

Be safe and have a great holiday season!

Message from Vice Commodore - Robert Burke

I am looking forward to being your Vice Commodore this year.

The CCC Ball is fast approaching. We are having our first meeting on November 11th to discuss the theme and decorations. All those who are attending the CCC ball in

Ocean City are welcome and encouraged to attend. Also any members who would like to learn more about the CCC Ball or is willing to help are welcome. Time will be announced once we know when the Land Cruise is coming in.

I am looking to get feed back regarding this years ball. What did you like? What would you like to see at next years ball?

Also, I would like to hear what the members would like to see for next years opening. How did you feel about the car show? I thought it was a great success and would like to know the members thoughts.

I spoke with Mike in facilities and we have some tasks that will required skilled labor. Please contact Mike Delamar or myself for more information.

Message from Rear Commodore - Kyle Gubernat

I am looking forward to a productive upcoming year as your Rear Commodore.

Please keep a close eye out for a few emails coming out shortly in regards to winterizing piers, pump out etc. There will be an announcement of a date for a work party to perform these tasks coming out shortly.

Thank you again and hope to see everyone at the club in the near future.

Message from Fleet Captain - Dave Cohen

Welcome Fall!

I am looking forward to being your Fleet Captain this year! So far we have a land cruise from Middle River coming in on November 11th. I am looking into having our own land cruise some time in February. Theme will be announced when I get it booked.

I am thinking of making a few cruises to other yacht clubs and learning the ropes from our past and present bridge members.

Thank you again for letting me join the Bridge.

October has been a great month. I attended Red Eye Yacht Club's ball on the 14th and Baltimore Yacht Club's on the 21st. It was a lot of fun, and I loved seeing everyone there and meeting the new princesses. I'm looking forward to attending more balls coming up this season!

It was such an honor to be your princess for 2022-2023, and I am looking forward to the adventures that await me in my next year as princess. My chosen charity for this year is the Back River Restoration Committee. I chose this organization because its goals are to clean targeted areas where repetitive litter and debris exist in the Tidal Back River watershed. The reason they do this is to maintain those areas from becoming worse due to trash pollution.

I hope everyone stays warm and has had a fantastic fall!

I wish you fair winds and calm seas!
