Message from Commodore Kim Ryan

Please be careful in this heat when out on the water. Drink plenty of water. Stay safe.

A new member orientation was held last month and I hope it was informative to the group that attended. There will be another orientation on June 27 and one in August. This can also be a refresher to current members as we try to touch on every A-Z regarding the clubhouse.

Enjoy the summer and boating. Kim

Board Chairperson

First things first, I hope everyone is enjoying this boating season. It's definitely nice to see people around the club as often as possible. Some people have been asking me about things they can do for hours and I still have plenty of things. I fully understand nobody wants to work outside with the heat we have been having. But as always, if you have any questions, concerns, ideas, or issues just reach out to me and I'll see what I can do.
