the membership for our weekend to be as successful as it was. Please don't forget to get your work slips turned in immediately so you get proper credit for your efforts.

A special thank you goes out to The Irene Solesky and her family, who performed what I consider to be the "absolute best, most beautiful" rendition of the National Anthem that I have heard since going to Openings around the Bay. You ladies certainly did the Red Eye proud.

This month in the General Membership meeting we will be nominating and voting on a Nominating Committee for the upcoming year. If you would like to be nominated for this committee, spread the word, make your intentions known, and plan to attend.

Very shortly, I will be looking to schedule some dates to have DJ Gary come to the Club. I would like to have him on weekends when I know the majority of our fleet will be in port. If anyone would like to host a Friday or Saturday evening "club" event and would like the luxury of having a DJ that evening, please let Judy Zipkin or myself know.

Coming up on June 5th, Maryland Yacht Club will be hosting the Queens Pageant. Our own wonderful Princess Courtney Reed will be competing in that event this year and would love to have your support. A few boats in our fleet will be going to Maryland that weekend for their Opening and the Pageant. If you would like to join us by boat, please let F/C Irene know. If you are unable to go by boat, it would be fantastic if you could drive over to show your support for our Princess.

The next major event for REYC will be the annual Cardboard Boat Regatta. That event this year will be hosted by Sharon and John Troiani. Even though they stepped up to host this event, they still need your help. It would be great if those members with previous experience working this event could once again help out. Very soon, we will be putting the agenda together for the regatta. Please see Sharon, John, or myself to volunteer your services.

Please remember that the policy for the Clubhouse Alarm is that the alarm gets activated at the close of business Sunday night (last one out) and remains activated until the start of business the following Friday. If you enter the clubhouse during the week, it is your responsibility to reset the alarm when leaving. The clubhouse alarm will not be activated on weekends. Failure

up fee will be imposed if club is not clean after your event.

Members: No fee for club usage. Bartender must be reserved and \$75.00 fee will be imposed if club is not clean after your event.

Have a great summer.

Message from the Vice Commodore Bob Carr

I want to thank everyone for banding together as a team to insure that our opening was a huge success. Everything was well organized and comments received were absolutely fantastic.

If anyone knows of anything around the club that needs to be repaired please drop me an e-mail so we can get together with those of you who still need work hours. Your help would be appreciated.

With that said, I would like to wish everyone a great and safe boating season

Once again, I thank you for all of the hours that were put in to have a successful opening weekend....

Bob Carr
Vice Commodore

Message from the Rear Commodore Karen Frey

It cannot be said enough, so I'll say it again...kudos to all the Red Eye members who made our opening weekend such a tremendous success. I will be looking for everyone to step up again next year, so be ready! Some jobs on the piers have not yet been finished. If you told me you would do a particular pier job and no longer need hours or simply don't want to do it, please let me know. Everyone needs to have at least 17.5 hours in before July 1, so folks may be looking for hours in June. Please note that's a minimum of 17.5 hours before July 1, not a maximum. Members are welcome to do 31 hours January through April plus four hours opening weekend and be completely done for the year. Others prefer to spread hours more evenly through the year. It's your choice.

Message from the Fleet Captain Irene Witmer

The opening is over & things are "back to normal".

JUuuuuSTIiin!!! Thanks to Justin Rockel & his merry band of assistants, the docking of visiting boats went without a hitch. Due to iffy weather, we had ONLY 30 visiting boats. THANK YOU TO ALL members who worked with Justin & me to make sure our visiting boats had electric & water, as well as scrunching together to allow room for them.

The opening is a time when members of REYC really shine. EVERYONE should be proud of that weekend. Special thanks go to Erni Heiser who not only worked in the kitchen, but ran our book sale & Chinese auction. We made some money & got rid of a lot of books & member donated items. The competition was fierce & fun. Remaining books were donated to a nursing home (Thank you Laura) & Salvation Army. Next year, we are planning to expand this endeavor.

This coming weekend (June 3, 4, & 5), our beautiful, intelligent Princess Courtney is going to be competing for Queen of the Chesapeake. Word on the bay is that she is a top contender!! We have several boats who have already signed up to go. Anyone who would like to join Red Eye's cheering section & spend the weekend at Maryland YC, please let me know by Wednesday night (717-575-9978). Although everyone gets a place to tie up, accommodations are on a first come first serve basis - except for our Princess Courtney. Royalty gets royal treatment!

This will be the 1st club cruise of the season. Docking is free to all yacht club members; there are dinners, dancing, swimming & the Queen of the Chesapeake pageant. Come join the fun.

please let me know.

Message from the Treasurer

P/C Jill Cashman

Opening Day has come and gone but WOW what a weekend. I'm still working on establishing the income and expenses, still waiting on some expenses to come in and will have a summary report for you at General Meeting 6/10. However, I will not be there but Commodore Jerry will have my summary to pass out. I will expand on what worked well and some things to consider for next year. I will not be Treasurer next year so I hope this information will be helpful for the member who replaces me. I think this year just about all membership pitched in for their 4 hours but many did so much more. As we all know, no organization can operate without everyone's participation. It was so nice to see the junior fleet take part this year. We all enjoy seeing the little ones coming through the line. All in all I believe we had one of the best, if not the best, openings so far this year. We have a lot of summer ahead of us so we all will be coming and going. Let us not forget about supporting the bar and our bartenders, Kara and Kristal. We still have expenses throughout the summer so DRINK UP! Until next time... Thank you.

Board of Governors Chairman-Ken Zeisloft

One big attaboy to our bartenders and bar backs, paid and volunteer, for the way they got us through opening weekend. There were many problems and issues. Tensions ran high. But, our guests never knew it and had nothing but positive things to say about their experience. You made it happen.

REMINDER when Kara or Kristal are working they are in charge of the bar! NO ONE is to be behind bar unless invited by bartenders. Also if you have a party at clubhouse you are in charge of cleaning up before bar opens. Sorry but we will have to increase all items about \$.25 on July 1st because of increase in sales tax. If any problem or questions please contact John Cashman, Jerry Selig or Rob Knickman.

If you hear little bumps against the side of your boat at the crack of dawn, it may not be the Carp laying their eggs. It may be me as I glide by your boats looking for company on my kyaking journey's. Thank you for reading our newsletter.
