Next weeks commute!

Message from the Commodore Jerry Selig

Greetings and Salutations. Hope everyone is surviving the winter elements and cold temperatures. First lady Liz and I continue to keep "yacht club" busy by representing the REYC at the Commodores Balls of our Sister Clubs around the bay. We thank you for this opportunity, as we have met many people and established many new friendships. The Ball schedule runs through the end of March.

January has also proven to be a very busy month at the Club. Thus far, work parties have been held on three consecutive Saturdays and some additional project work has also taken place. I greatly appreciate the support and effort of everyone that has come out this past month to help us at the Club and the fruits of your labor has paid off significantly. I would also like to

encourage more members to get a jump on work hour obligations. As I have said many times in the past, there are fewer opportunities to get work hours by tending bar due to utilization of paid bartenders. Because this effort was so successful last year, there are plans to increase utilization this year, creating even less opportunity for hours to be obtained. Structure of "bartending" work hours will also be revised. There will be at least two work parties scheduled each month during February, March, and April. Your participation to help us get the Club ready for the boating season will be greatly appreciated. Once again, I would like to remind everyone that work slips must be submitted within 14 days of the work being performed. This is to make sure records are timely, accurate, and made available for member review on a monthly basis. February looks to be another busy month at the Red Eye. There is a Steak Dinner/Karaoke event scheduled for Feb. 4th (which is sold out) sponsored by your truly, and the Adult Puppet Show sponsored by John and Jill Cashman on February 19th. The puppet show is a side splitting function and tickets are limited. Contact John or Jill ASAP to get yours. February also includes two private member events on Feb 5th and 12th. We thank those members for choosing Red Eye for their party needs and we thank our Entertainment Officer/Kitchen Manager Judy Z. for making it all possible. Coming up in March and April we have two extremely important Club Sponsored fund raising events. In March we have the Annual REYC Bull/Oyster/Shrimp Roast sponsored by Mark Wilson and Lori. In April we have the Annual REYC Spring Fling sponsored by Karen and Paul Watsic. It would be great to see as many members as possible at both of these events. Please bring your family and friends along too. Flyers for these events are included in this newsletter.

Each month, a lot of people spend a lot of time and energy to keep the membership informed about everything happening at your Club. This information is communicated through Meetings, Newsletter, E-mails, Hard Copy Mailings, Phone Calls, By-laws, and the REYC Website. Yet, every month I inevitably hear someone says "when did that happen, or I never heard that". Not being informed about future events, and not knowing about the policies, rules, regulations, obligations, responsibilities, and everything else that happens around your Club is how miscommunication and rumors begin, get exaggerated, and cause conflict. I will sum this up with one word, "PARTICIPATE", and if nothing else, at least read the information you are given. Till next time BE SAFE!

Message from the Vice Commodore **Bob Carr**

Hope everyone is breathing the fresh air - with all the snow and ice in place - it may be cold outside but I find it refreshing....

I am writing to thank all of you that were able to join me at the last two work parties. We really did get quite a bit accomplished - it is great when you have team in place - really makes a BIG difference. The next two work parties are on February 19th and February 26th - We have a week off in between - Spend some time with your significant

To any member(s) who may be dealing with an

other for VALENTINE's Day.

On another note if you have any belongings in the garage or storage shed at the Club, you are being asked to retrieve your items by the 26th of February = we will have a dumpster on site that day to remove the items that do not belong to the Red Eye or pose no value to the club. Everyone is encouraged to get down there and retrieve your articles - this also applies to items that may be outside of the club - bicycles, etc....

I hope to see everyone at the steak dinner this Friday night - February 4th....Should prove to be a fun evening for all - Ken will be doing Karaoke following the dinner. Come out and enjoy the club - we would like to share with you the improvements made over the last couple of weeks...

Message from the Rear Commodore Karen Frey

We are half way through winter and it is not too early to think about spring. The piers will need some work as weather permits, in late March or early April. I have a list of 14 leaks that need to be repaired when it is time to turn on the water again. If you have any plumbing skills, please reserve a few of your work hours to help with that job. We also need some electric work as well as some general repairs and maintenance. If anyone is interested in helping with this work, please let me know at or before the club meeting on March 4.

Message from the Fleet Captain Irene Witmer

No more snow - PLEASE!! Groundhog Day has come and gone and he predicts six more weeks of winter. So hunker down with your honey, keep warm and plan which Red Eye cruises you will attend. When you come for slip assignment day, be sure to check the "Cruise Board" for destinations.

On March 5th and 12th there will be land cruises coming to the Red Eye. On the 5th, we are expecting both Middle River and North Point YC to arrive at approximately 4pm. There will be between 90 and 100 people. On the 12th another club will be arrive with approximately 45 members. Anyone who would like to come out to greet our fellow boaters and show them why Red Eye is one the friendliest yacht clubs on the bay, come on down.

Happy Valentine's Day.

Message from the Treasurer P/C Jill Cashman

Board of Governors

Chairman-Ken Zeisloft

This month I feel obligated to report on one of the Board's less pleasant responsibilities - discipline. I never liked that word as found in our By-Laws as we are not some sort of reform school but we do have rules and regulations that need to be followed so that all members can enjoy the benefits of our club. As you elected us to do, when necessary the Board deals with infractions or omissions.

Recently, after much debate and anguish, the Board expelled two members who first chose to ignore directives to take corrective measures regarding their boats; then refused to pay monetary penalties imposed upon them. It now appears that further action may become necessary as we approach slip assignment day. On behalf of all the members of your board of governors, please know your responsibilities and obligations and fulfill them so we all can enjoy the pleasures and fellowship of boating without the unpleasant taste of discipline in our mouths.

MEMBERSHIP COMMITTEE - KEN ZEISLOFT, CHAIRMAN

Slip assignment will occur on Sunday, February 13th at 3:00 PM sharp. If you cannot be there and need to bid a slip or slips, make sure someone has your written proxy. An e-mail will suffice.

Members are urged more than ever to choose slips wisely as things are projected to be very tight this year. Be sure your boat is not too big for its slip. The committee is in place to evaluate slip verse boat size and will move boats if necessary.

Bar Report

Bar Committee - P/C John Cashman, Commo. Jerry Selig and Rob Knickman:

Please submit your memory (100 words or less) to me no later than Monday Feb.21st. Your entry may appear in the March newsletter.
Lmoore1221@verizon.net

to cover expense of bartender(s) supplied by the Club. That fee will be collected by the Entertainment Officer. It will be the responsibility of the E.O. and/or Bar chair(s) to schedule the bartender. If interested members can be utilized ,see John Cashman or Judy Zipkin to discuss your availability. Thank you for reading our newsletter! 2222 Poplar Rd is the location of the Red Eye Yacht Club, but it is the time,

energy, skill, talent & personality of the members that make this such a wonderful place.

I have never been so excited for Spring to come! I have woke up early in the morning on the boat to the sun rising on Sue Creek. The still water made me think how nice it would be to hop in a kayak and go exploring.

Sincerely,
